

## HIGH SCHOOL BACK TO SCHOOL 2025-2026

---

Dear Sir, Madam,

We are looking forward to welcoming your child to Collège du Léman for the academic year 2025-26 and we are writing to inform you of the arrangements for the first few days of our return to school in August. Details are given in the accompanying calendar for the first few days of school, but the key events and dates are as follows:

### Orientation day for High School students and parents new to CDL

All High School students and parents new to CDL will be welcomed to the school on **Wednesday, 20<sup>th</sup> August**, from 8:00 a.m.

General orientation and tours of the school will take place during the morning and will be followed by lunch, which will be offered by the school.

During the afternoon, students will sit placement tests in the mandatory subjects (English, Math and French) if necessary.

We recommend that students collect their textbooks and PE kit from Olympus on this day.

### First day of school for new and returning students

School begins for all High School students on **Monday, 25<sup>th</sup> August**. The starting times have been staggered and details are given in the accompanying calendar for the first few days of school.

### Meet the teachers and Welcome Back Barbeque

As last year, the traditional 'meet the teachers' evening this year will be combined with the Welcome Back Barbecue, to be held on **Tuesday, 23<sup>rd</sup> September**. More details concerning this event will be sent nearer the time.

### School Calendar

Please note that the school calendar, including the holiday dates and school events for 2025-2026, is posted on our website under '[Parent Essentials](#)', and is also available on our 'CDL News' Parents' app.

Over the coming weeks leading up to the beginning of the next school year, your child may wish to look at the 'New Student Welcome Pack' (if new to the school) and the 'Student Manual' for High School students (for all students), both of which are posted on our back-to-school webpage. As we wish you a wonderful summer, the High School academic team would like to assure you, once again, of our commitment to your child's education and well-being.

James Bearblock  
(Outgoing) Executive Principal - High School

Pauline Nord  
Director General

Mark Hatherell  
(Incoming) High School Principal
