

THE BRITISH
SCHOOL
OF GUANGZHOU
A NORD ANGLIA EDUCATION SCHOOL

YEARBOOK 2022/23

Tim Richardson
Principal

WELCOME FROM THE PRINCIPAL

As we close another school year, I am filled with gratitude for the hard work and dedication shown by each and every one of you. This year, we have overcome the challenge of VSE in Term 1, the full return to school in January, the rapid dismantling of COVID restrictions, and the return to school events and throughout, you have shown integrity, commitment, respect and responsibility.

This yearbook contains many of the highlights from across the year and is a wonderful record of all that has been achieved as a result of collective effort – students, parents, staff and our wider community.

As our school year draws to a close, I would like to extend my congratulations to all of our graduating students. Your time at BSG has been a period of growth, learning, and self-discovery, and I am confident that you are well-equipped to take on the next chapter of your lives.

For those of you returning next year, we look forward to continuing our journey together. We are committed to providing you with the best possible education, and we will continue to work tirelessly to ensure that you have access to the resources, opportunities, and support you need to achieve your goals.

I would also like to express my gratitude to our parents and families for your support throughout the year. Particularly thanks to our Parent Support Group who have led events and provided wise counsel to me and our leadership team. I look forward to working with you to make sure BSG continues to provide your children with everything they need to be successful in life, whatever they choose to do.

Finally, I want to thank our talented faculty and staff. Your hard work, expertise, and passion for teaching have created an environment that is welcoming, supportive, and enriching for our students.

As we move forward, let us continue to strive for excellence, embody the values of BSG, and support one another as our students create their future at our school.

Warmest wishes for a safe and enjoyable summer.

Tim Richardson

Tim Richardson

INTERNATIONAL DAY

BSG International Day was a real celebration of internationalism at our school, attended by almost 4000 members of our school and local community. In a clear signal that we were 'back to normal' we enjoyed games, activities, displays, performances and food from all around the globe. Huge thanks to our organizing committee and to all of the parents who supported this event.

CHINESE NEW YEAR

Our school celebrated the Chinese New Year, ushering in the Year of the Rabbit with a range of traditional activities on campus. The event saw students and teachers coming together to participate in various festivities, including lively performances and engaging arts and crafts sessions.

As an annual celebration that holds significant cultural value, the Chinese New Year is an important occasion on our school calendar, allowing us to pay homage to our host country and its rich traditions.

BOOK Week

Book Week set the school abuzz with joy and excitement! Primary students and their parents jumped at every chance to deck their doors with the most captivating book covers. Volunteers read books in different languages, spicing up reading time. Everyone eagerly welcomed the talented author and illustrator, Trevor Lai, during a super special assembly. Secondary students unleashed their competitive spirit, taking part in house contests, quizzes, and entertaining "Magic of Reading" assemblies. What a blast!

Community Partnership

Throughout the year, our work alongside local community partners continued, even during the period the campus was closed for VSE and travel restrictions impacted many areas of Guangzhou. Our 'Homeless Love' volunteers remained resolute, delivering meals to those in need and with the support of students and parents, we continued our fundraising efforts to support 'Hopeful Hearts' and 'Huijing School', helping them provide for young children in need.

COMPETITIVE SPORTS AT BSG

As the year of school sport draws to a close, we look back on some sporting moments to remember.

Despite the challenges faced during online learning, it remained action-packed on the sporting front here at BSG. We have enjoyed phenomenal successes at our local league conferences, underlined by our triumphs in Football and Basketball.

Next year sees our return to the PRC at HS level as members of the Yellow Division, as well as the highly anticipated return to FOBISIA and NAE Regional Sport.

We now eagerly await a full uninterrupted programme of school sport next year! Go Rhinos!

BSG' S GOT TALENT

We know our students are talented, but BSG' s Got Talent showcased just how deep those talents go! With a rich variety of performances from across the performing arts, it was incredible to see the commitment and creativity of all our performers. Congratulations to everyone who took part – you did yourselves proud!

STUDENT LEADERSHIP

At BSG, student contribution is valued! Our dedicated Class Representatives and Student Council have attended meetings and confidently voiced ideas to staff including Mr. Maunder. BSG's fantastic House Captains have kept the spirits high showing great resilience and energy. The student leaders are great role models for the school.

Our Secondary Student Leaders set the highest standards in terms of academic excellence, and endeavour to lead their peers and promote student voice across the school. They are true ambassadors of the BSG spirit.

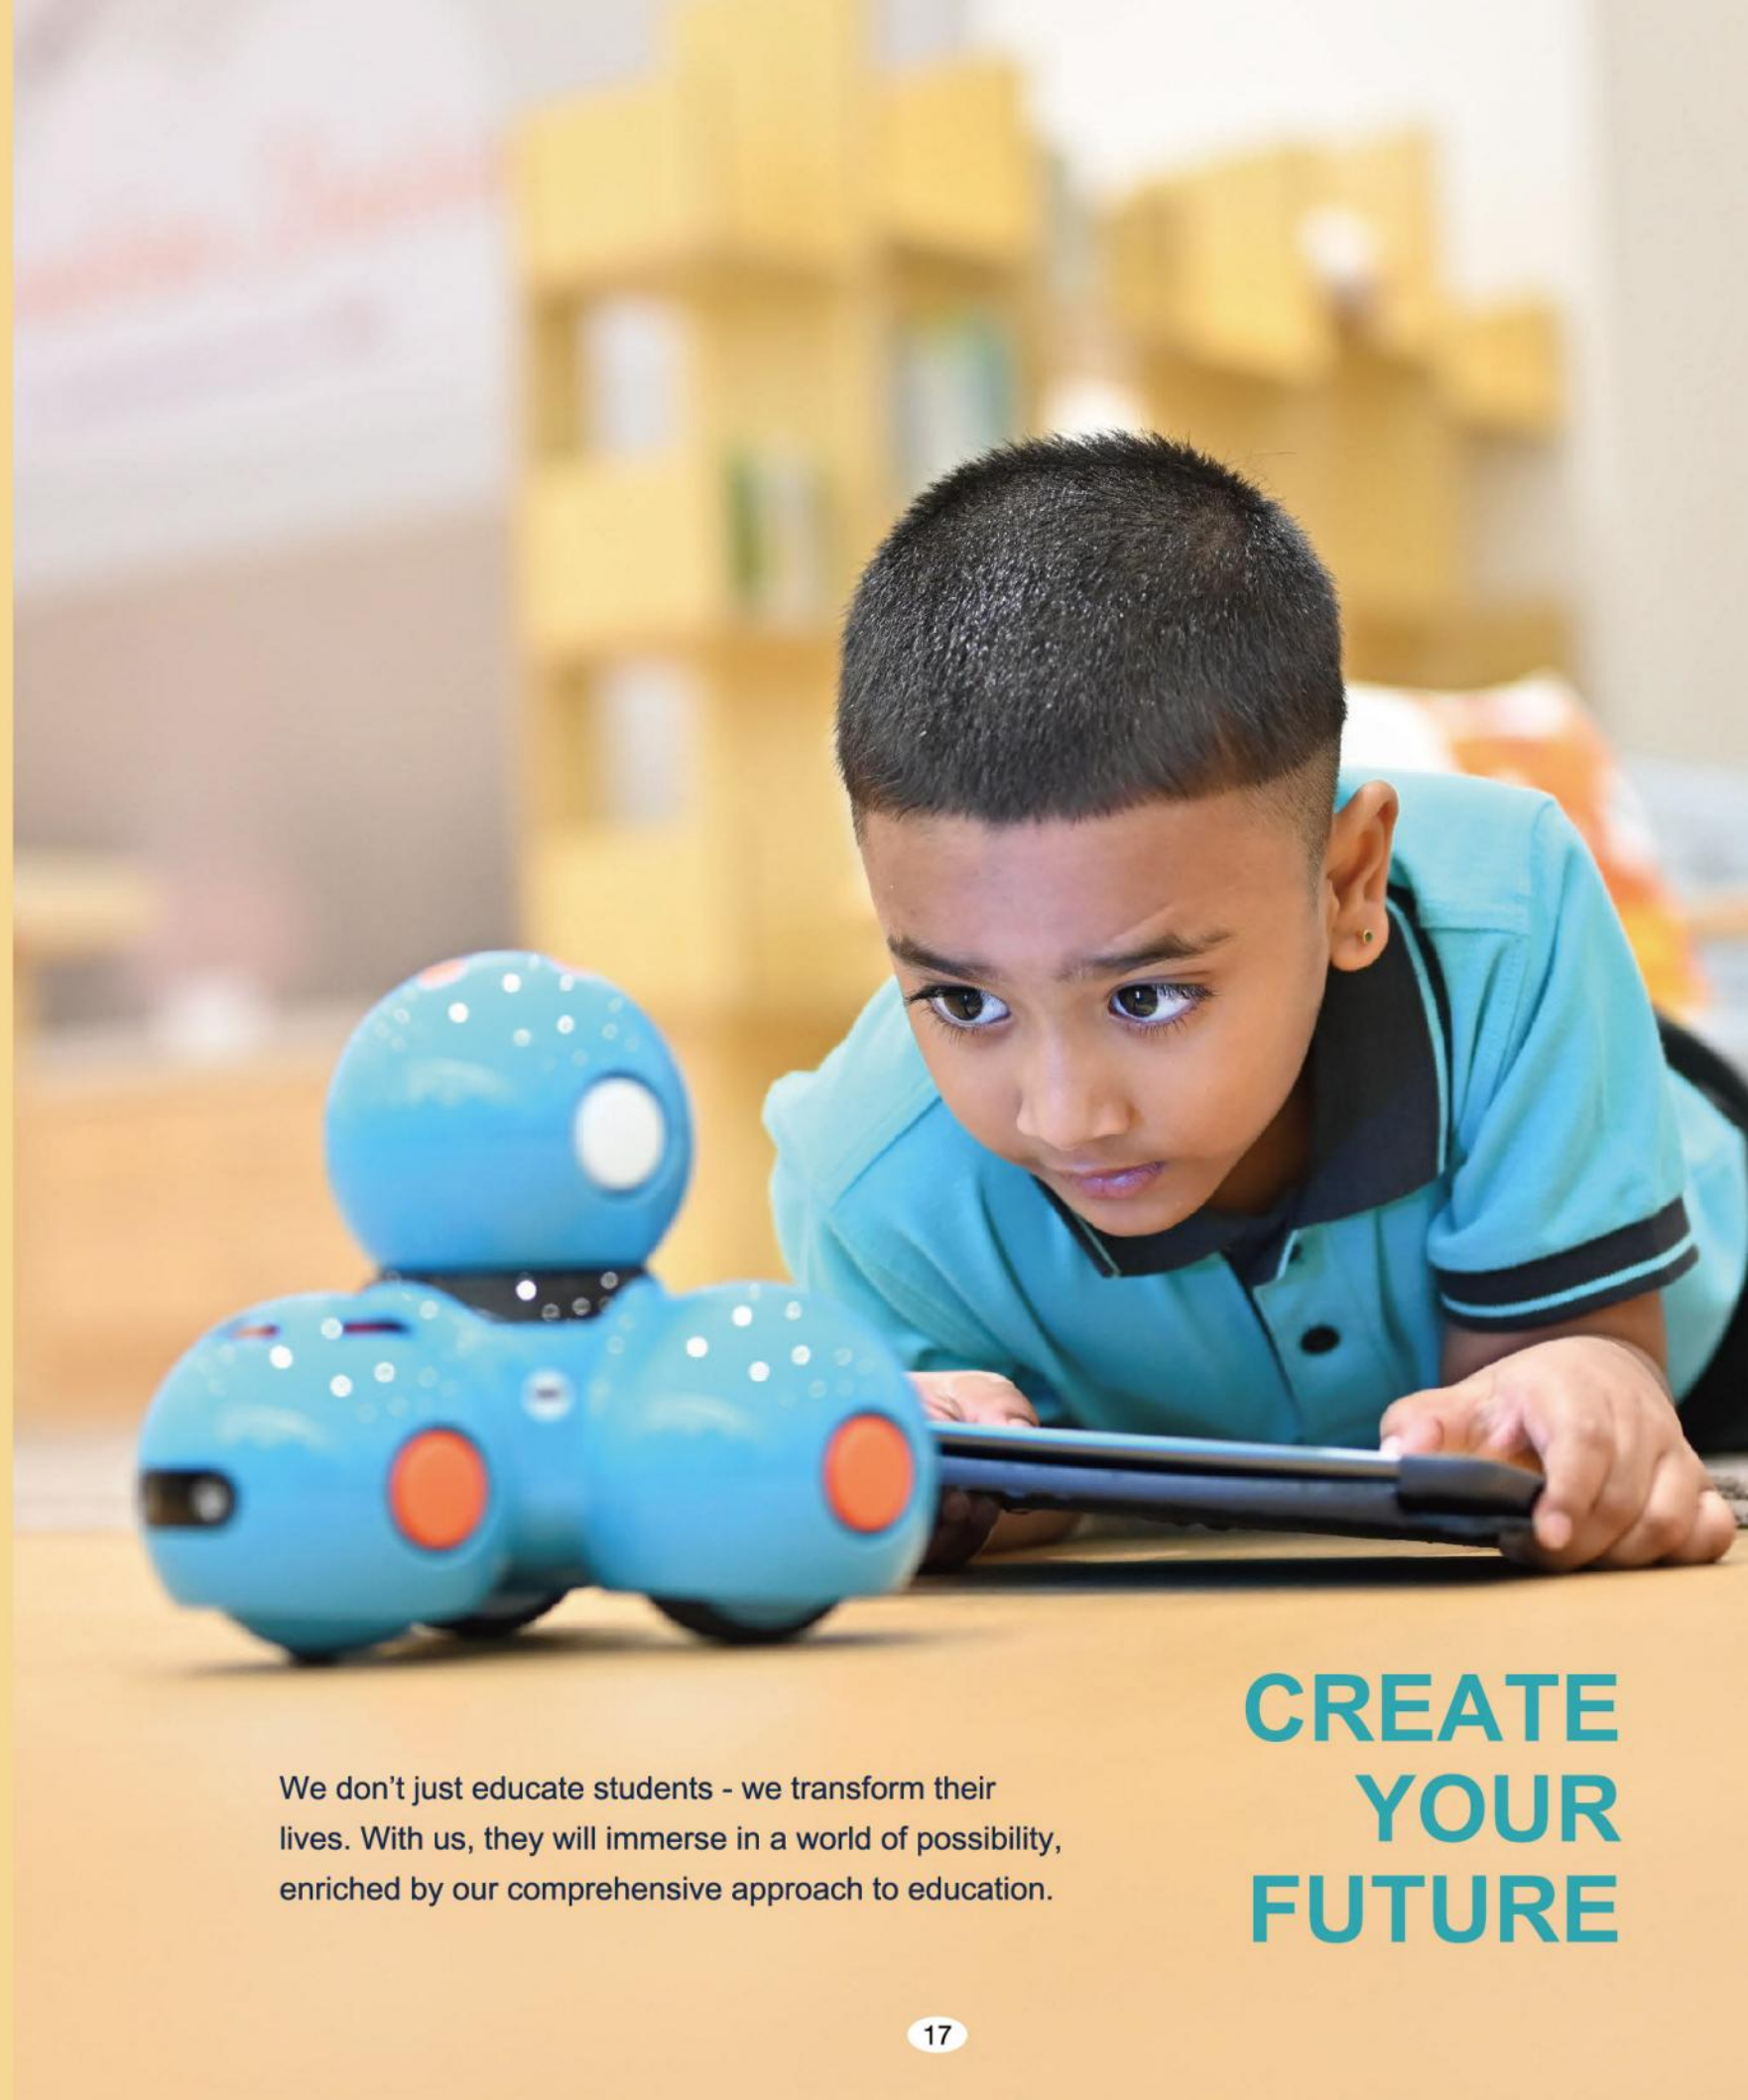

Campbell Maunder
Head of Primary

WELCOME TO PRIMARY

Dear BSG students and community,

What a year it has been! I want to express my gratitude to all of our incredible learners for their dedication to developing their skills, habits, and values with the support of our exceptional team and parents. With the support and guidance of our talented team, and the unwavering support of our families at home, our school community has once again demonstrated an unwavering passion for learning and growth. This year has been particularly special as we have had the pleasure of reconnecting with our school community. Our Parent Support Group has been active, and we have had a range of parent volunteers and guests attending our assemblies, performances, and stay-and-learn events. We are excited to build on this involvement and continue to work with our community to enhance our school even further. As you flip through the pages of this yearbook, you will see our happy children engaged in our academic, PE, and Arts curricula, as well as our after-school activities and the broader life of the school. Our incredible team of leaders, teachers, and teaching-assistants put their heart and soul into their roles, and I am incredibly grateful for their commitment and care. To our students and their families who are leaving BSG for their home-countries and other locations around the world, we wish you all the best. Your contributions to our school community will be missed. To our returning students and families, we look forward to welcoming you back after our summer break. Let us continue to work together to create an environment that inspires learning and promotes growth.

Cam Maunder

We don't just educate students - we transform their lives. With us, they will immerse in a world of possibility, enriched by our comprehensive approach to education.

The Nursery A Penguin class is a group of diverse, enthusiastic, and kind children who inspire us every day. They have shown tremendous growth in social skills particularly kindness, inclusivity and building relationships. It has been a privilege to be a part of their development and fostering a love of learning for years to come.

The Kiwi class have had a wonderful year filled with laughter, curiosity, and exploration. Each day was a new adventure as the students discovered new interests and ideas. Through singing, dancing, and hands on experiences, the Kiwis have discovered a love of learning. I am so proud of the positive relationships that have been built throughout the year! It has been a pleasure being a part of the Kiwi family for 2022-23.

What a phenomenal year it has been for the Tiger class. Our students have worked hard to embody our core values in everything that they do. Whilst building and maintaining strong friendships grounded in mutual respect, the Tigers have also shown a great commitment to learning and have continuously exhibited their love of learning through their play. Ms Lynne and I are extremely proud of their growth and wish them the best for Year 1.

What a wonderful year it has been in the Reception Dolphins class. The children enjoyed exploring our outdoor and indoor provision during lessons and active learning. Observing the children problem solve as they play with one another was a focus throughout the year and a skill they will use as they move forward in their learning journey. During our core text, 'Aaaaarrgghh, Spider!' we linked our literacy lessons to cross-curricular and started to explore the insects and animals around our school. We had the opportunity to go on a field trip and further our understanding of the world around us.

Our Hedgehogs had a fantastic year of learning in Reception! We welcomed many friends into our class and built strong friendships throughout the year. Our students have showed their enthusiasm for learning across the curriculum. Just a few highlights of the year include performing "We're going on a Bear Hunt" to the Cubs class, junk modeling rockets for baby bear to go to the moon and finally using all our knowledge about animals to complete our scavenger hunt during our field trip to Chimelong Safari Park. I wish you all the best in your Primary years! Always remember to try your best, keep learning and most of all...HAVE FUN!

Spring Show

Early Years & Year 1

The Spring Production, Croak ! was a wonderful reminder of the importance of the arts in education. Our little stars showed not only exceptional skills but also academic excellence. They sang, danced and acted their hearts out, and their beaming smiles filled the room with pride. We cannot wait to see what the future holds for our little stars!

Early Years Special Events

From Book Week to a visit from the Fire Department, our Early Years children have enjoyed a wonderful range of special events and experiences throughout the year. The South Lake students and staff were delighted to be joined by our friends from Olympic Park for our World Children's Day walk and look forward to lots more collaborations to come. Thank you to staff and parents who have made these events happen.

The flamingoes have had a fabulous year learning about plants, animals, toys, and they even learnt how to become an honorable pirate. They built on their resilience and commitment when our learning went online, and they continued to bring positivity, smiles, and laughter when we returned to school. It has been a year of investigating, creating, playing, and imagining, and oh wow we certainly have learnt a lot. I hope that the flamingoes continue to believe in themselves, be courageous to take risks in their learning and continue to foster a love of creativity and discovering new knowledge. It truly has been a pleasure to support you in your year one journey. I will always be proud of you, good luck in year 2!

What a wonderful year of learning and growing for the 1B Koalas. It has been an honor and a privilege to watch the Koalas explore the world around them. I cannot believe the time has flown by so quickly. Well, you know what they say – time flies when you are having fun. Who could ever forget the day Witch Pat came flying into our assembly or when we found out that Nian had been spotted in South Park playground. As you continue through your primary school years, never forget to keep learning, to keep having fun and to always try your best. I am proud of you all.

Throughout the academic year, The Turtles of 2022-23 have consistently demonstrated a deep love of learning, impressing me with their unwavering commitment and perseverance. Despite the challenges we faced, we completed a wide variety of activities and projects that allowed us to explore new ideas and push our boundaries. From science experiments to creative writing exercises, each task was approached with enthusiasm and a willingness to learn. As a teacher, I am incredibly proud of their academic achievements, and I am grateful to have been a part of their journey. Together, we created countless beautiful memories that will stay with us for years to come.

What an exciting year it has been in the Squirrels class. Our students have not only grown taller, but have developed emotionally, socially and mentally as well. The Squirrels explored different materials, built new forms of transport and had fun doing it. They developed excellent Maths skills and worked hard at writing and editing their own writing. They can be extremely proud of what they have achieved!

Our teacher is having a day at home –
She sent her pets to school instead!
There's...

A parrot to read the register,
A crocodile to sharpen the pencils,
A canary to teach singing,
An adder to teach maths,
An elephant to Hoover the floor,
A giraffe to look for trouble at the back,
A tiger to keep order at the front (Mr. Toffee),
A piranha fish to give swimming lessons,
A zebra to help with crossing the road,

Who knew just how many things a teacher can do!

Year Six Class C are a very special group of children. They have put so much effort into their work this year and can all be exceptionally proud of themselves. They have managed to create a wonderful balance – they are funny, without being (too!) silly. They are cheeky, but (nearly!) always respectful. They are committed, but (mostly!) calm. It has been a great pleasure to play a part in their final year of primary school, and I have absolutely no doubt they will go on to achieve spectacular things in the future!

Collaboration is the word that comes to mind when thinking about 6D. Throughout the year they have consistently demonstrated their collaboration skills and they have formed and maintained strong bonds with each other and across the year group. As they move on from Year 6, I wish all 6D the very best.

Year 6D

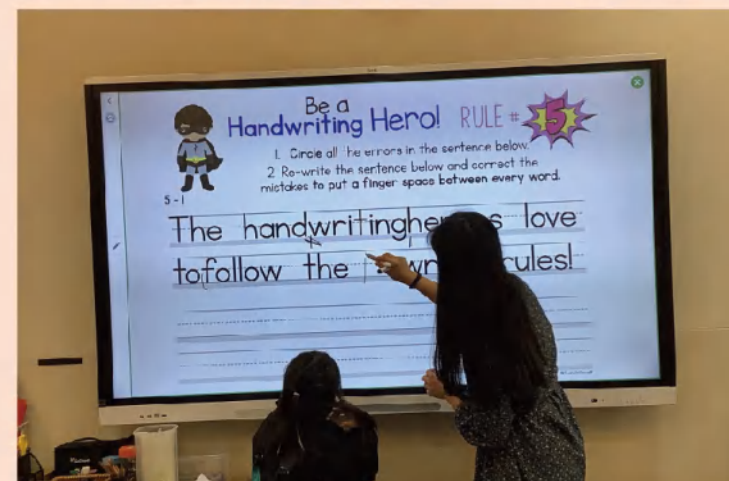

CELEBRATING CHINESE CULTURE

We had lots of enjoyable activities to celebrate the Year of the Rabbit. These included a face-changing performance, decorating our classrooms with our self-made paper cuttings and lanterns, trying the tangyuan delicacy, and dressing up in traditional Chinese attire to partake in lion dances and honor the New Year's spirits.

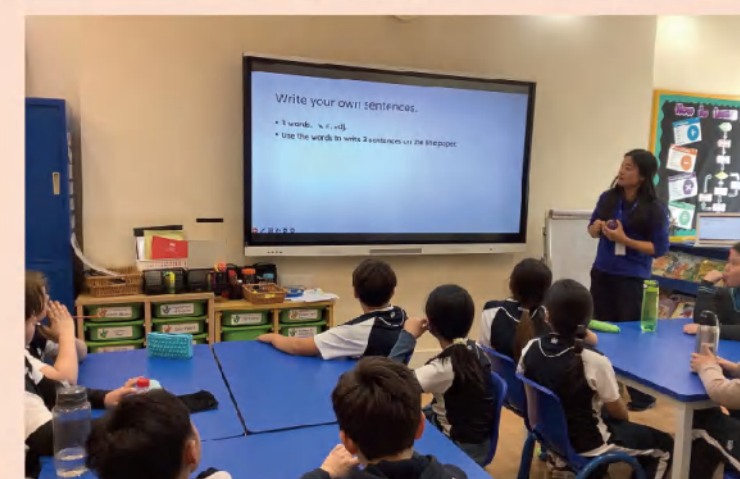

ENGLISH ADDITIONAL LANGUAGE & LEARNING SUPPORT

It has been another incredible year of language learning at the school. Each year I am humbled by the resilience and determination of our EAL students from Reception all the way to Year 11. Observing children, who join our school with very little understanding of English, become fully functioning within this new language is always a pleasure and inspiration. I leave you with this Czech Proverb – “You live a new life for every new language you speak.”

What another busy year in Learning Support! This year we have continued to build on the previous year's successful group and individual supports. As well as continuing the popular Creation Station. We have enjoyed working with students, staff, and parents in numerous ways to succeed with students personalised goals.

PRIMARY PERFORMING ARTS

Performing Arts at BSG arguably faced one of the toughest challenges during COVID times, so it has been amazing to see the teams bouncing back with such energy and creativity. Pantomimes, productions, concerts and performances are highlighted on these pages, with more to come next year as options to participate outside of school open up. Special thanks to our colleagues from the Julliard Center for Performing Arts in New York, who dropped by to lead lessons and staff workshops in April. You were awesome!

PRIMARY RESIDENTIALS

During our primary residentials, children learn, through our core values, to become more resilient when faced with challenges, to develop their collaborative skills when working with their classmates, and to appreciate the environment and culture that they find themselves in. This year, we had the Year 2 Camp at BSG, Years 3 and 4 went to an activity centre in Zengcheng, Year 5 enjoyed the ocean at Twin Moon Bay, while Year 6 got to have fun in the outdoors of Wanluhu.

CREATE YOUR FUTURE

From exceptional academic results, to having the creativity, resilience, and confidence to make their mark on the world, we'll make sure your child leaves school with everything they need to succeed in whatever they want to do or be in life.

Kerry Millar
Head of Secondary

WELCOME TO SECONDARY

As we come to the end of another remarkable academic year, I am filled with immense pride and admiration for each and every one of you. Your unwavering commitment to endeavour and the pursuit of excellence has truly made this year extraordinary. Your determination in all aspects of your education, from the classroom to the sports field, from artistic performances to community service, have shown your remarkable talents, skills, and your BSG spirit.

Endeavour is the driving force behind success, and you have exemplified this principle in everything you do. You have approached your studies with enthusiasm, embracing new concepts and pushing yourselves to new heights of achievement. Your curiosity and thirst for knowledge have been truly inspiring, and your willingness to step outside your comfort zones has resulted in exceptional growth and personal development.

Excellence, too, has been a constant companion throughout your journey. You have set high standards for yourselves and consistently strived to exceed them. Whether it was achieving outstanding results in examinations, showcasing your talents on stage, or representing our school in various competitions, you have consistently demonstrated exceptional abilities and a strong work ethic. It is not just the achievements that define you; it is the character you have displayed along the way. You have shown integrity, kindness, and a

genuine desire to make a positive impact on the world around you.

Your commitment to service and your willingness to support one another have fostered a sense of community and family, that is truly remarkable.

As Head of Secondary, I am truly privileged to have witnessed your growth and transformation. Your hard work, perseverance, and dedication have paid off, and you have emerged as remarkable individuals ready to take on the challenges that lie ahead.

I would like to extend my sincere appreciation to the teachers, staff, and parents who have supported and nurtured you throughout your educational journey. Their guidance, encouragement, and unwavering belief in you has played an integral role in your success.

To the graduating class, as you embark on new adventures, remember that endeavour and excellence are not destinations, but lifelong pursuits. Embrace challenges, stay true to your values, and continue to strive for greatness in all that you do. The world awaits your unique talents, and I have no doubt that you will make a profound impact on the global stage.

Congratulations on a truly exceptional year.

We are a class of 20 lovely people! 9A simply has such vivid personalities and we laugh together (aside from the occasional academic tears). Also, everyone knows teamwork makes a dream work, which is why we won the Year 9 House Point Challenge. Every teacher simply adores our class because of how charismatic we are, and even though we have our flaws, 9A has stuck together through thick and thin, through rain and wind from class to class. This ebullient class has and always will make you feel at home.

I'm so pleased with the progress that 10C students have made over this past year! So many of you have improved significantly in terms of academic performance and personal development. It's been a real pleasure to see your huge diligent efforts and commitment pay-off! There were a wide variety of challenges throughout the year that you all faced, including: adjusting to demanding IGCSE courses, taking-on various new responsibilities and meeting the ever-increasing expectations along the way! Despite the aforementioned, you all persevered and demonstrated great resilience in overcoming these various encounters! Your tenacity is truly inspiring!

Sixth Form

We have studied a great deal this year to achieve our academic goals. However, we have also had time to do other things as well. We had a great residential trip in September to Wanluhu, with lots of watersports and a night camping. We have got involved in assisting teachers with younger students, right down to Nursery, in a variety of different ways. We have also been committed to whole school events, such as International Day. Occasionally we even find time to just chill in the Common Room.

Congratulations on reaching this significant milestone in your academic journey! As your tutor, it has been a privilege to witness your growth and development over the past year. Each one of you has demonstrated a remarkable commitment to your studies, and I am confident that you are well-prepared for the exciting challenges that lie ahead. Beyond your academic achievements, you have also exhibited qualities that extend far beyond the classroom. Your compassion, empathy, and support for one another have fostered a strong sense of family within our year group. I would like to say Thank you for the wonderful year and wish you all the best for next year !

SENIOR PROM

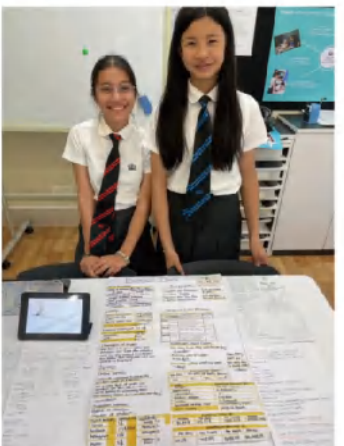

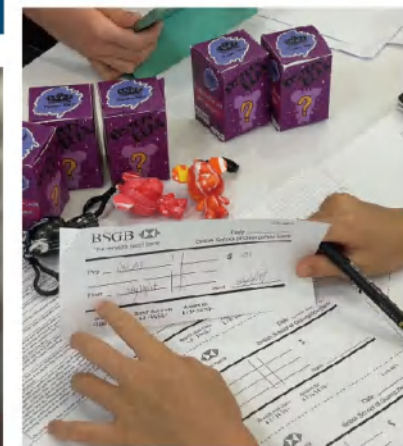

SECONDARY ENGLISH

The BSG English Department is inspired by children's writer, Sir Philip Pullman to encourage students to "read like a butterfly and write like a bee". We aim to promote competence, confidence and eloquence in the areas of Reading, Writing and Speaking & Listening in the English Language. The year has seen student success both within and outside of the classroom and highlights of the 2022-23 calendar include: BSG Book Week, House Battle of the Books, the Year 9 Speech Competition and the KS3 Poetry Slam! As ever, we wish to congratulate students for all their efforts with Accelerated Reader, especially those who have read over a million words this year!

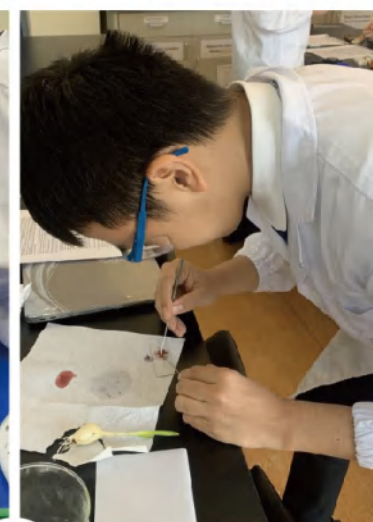

SECONDARY MATHS

The students in the BSG Secondary Maths department have had yet another amazing year. We have completed 5 international competitions resulting in 18 gold certificates, 25 silver certificates, 38 bronze certificates. Pi week involving a record 8 marshmallows in one mouth at one time, Pi being recited by 7 students, each reciting over 100 digits of pi (even in Japanese!), the teachers dressing up as Lord of the Rings bad guys. In IXL, students have completed over 885,000 questions, and in total have spent over 8200 hours working on their IXL. We have awarded 5 Gold Pi badges, 13 Silver Pi badges, and 52 Teal Pi badges! Students in Year 9, 10, and 11 have completed over 45 exams and tests, and Sixth form students have completed over 100 exams and tests in total, and finally, Year 7 and 8 completing over 20 projects in total between them, resulting in over \$50,000 of virtual investment from other students in their final assessment. What a year!! We can't wait to see what happens in BSG 2023-2024! See you there!!

SECONDARY SCIENCE

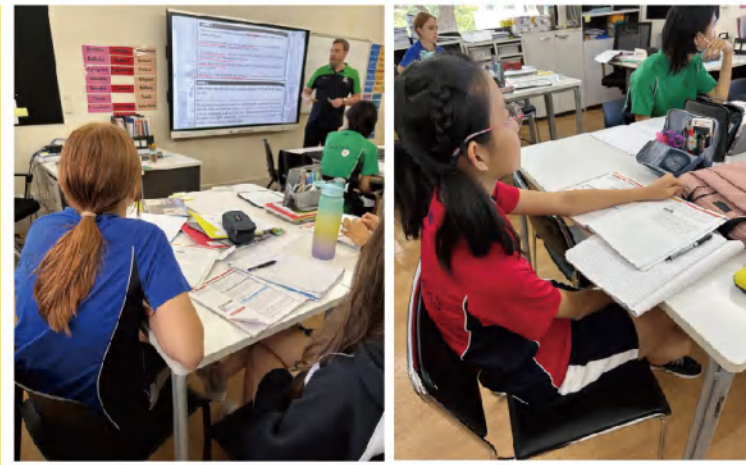

Secondary science welcomed their newest team member this year. Darwin, the bearded dragon joined us and has already doubled in size. He's helped us understand diet, habitats and life cycles, amongst other things and we are delighted to have him here. We have also developed our practical curriculum, to ensure science remains a 'hands on' subject but continues from a strong theory base.

SECONDARY HUMANITIES

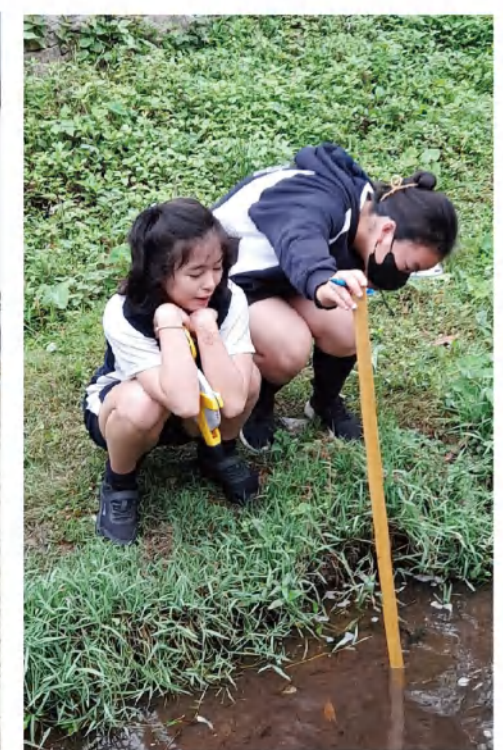

History

From castles to crusades and conflicts to campaign groups, this year secondary history students have emersed themselves in the past through studying the history of a wide range of places. Their ability to creatively assess the significance of key individuals and events has impressed us all!

Geography

A busy year in Geography for all year groups studying the way the world works. We played the Rock Cycle Game, made models of plate boundaries and created China in a Box. With Covid 19 restrictions finally gone, the department were able to restart fieldtrips, with Y7 measuring a river near Mao Feng Mountain and Y10 collecting data in Guangzhou.

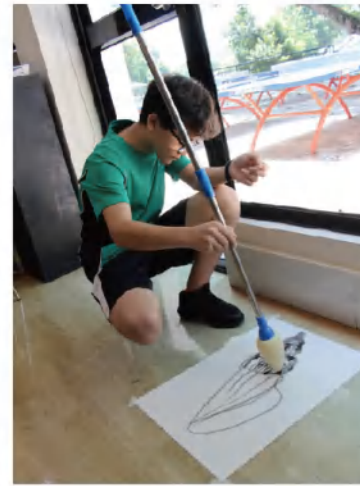

SECONDARY RESIDENTIALS

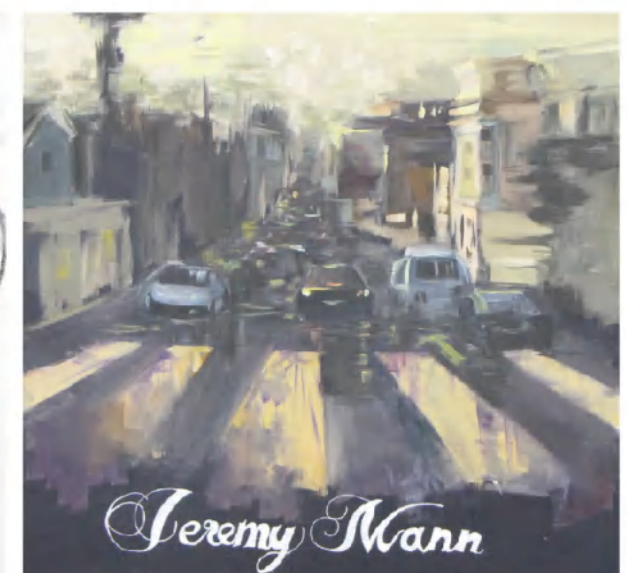

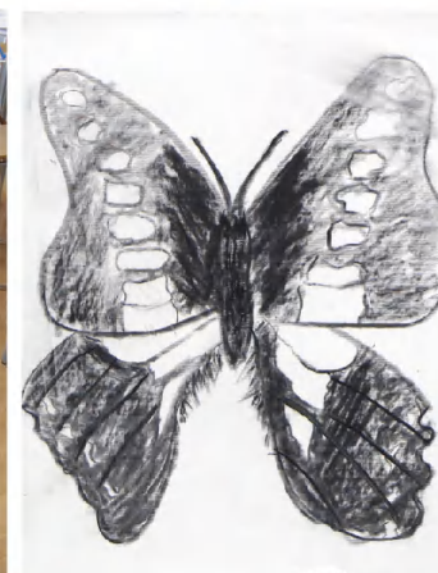

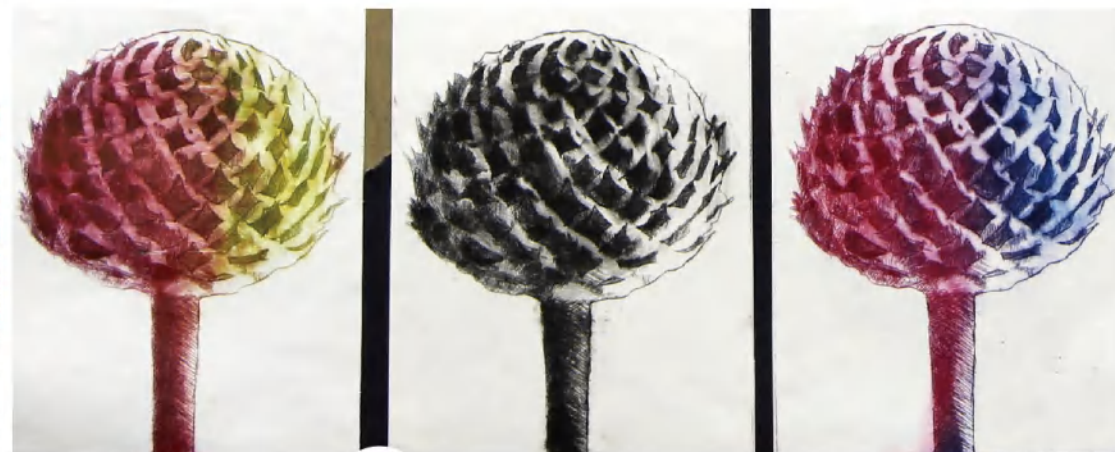

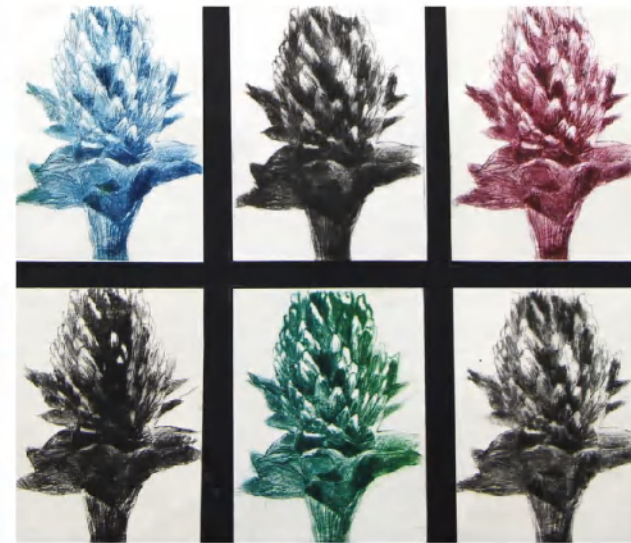

Secondary residential trips helped us build friendships, take risks and develop our leadership skills. Working with the Hutong Group, we enjoyed expeditions in different locations across Guangdong province and used outward bounds activities as our platform to reinforce our core values of respect, commitment, responsibility and commitment, while having an amazing time trying activities that were often a bit outside our comfort zones. Check out some of the highlights here!

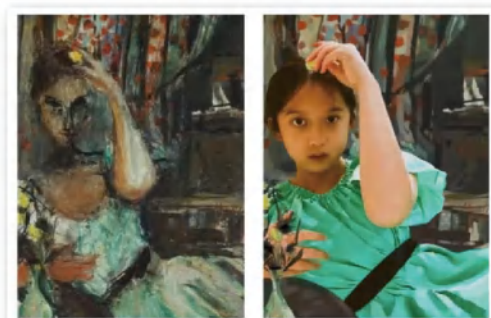

SECONDARY VISUAL ARTS

Despite being one of the smaller departments in Secondary, Visual Arts has a big heart, and this has been demonstrated through exhibitions and displays of some amazing work this year. Our corridors and open areas have been enhanced with 2D and 3D work that has radiated talent, creativity and often enabled us to interpret the world through someone else's eyes. What follows in these pages are some incredible examples of this. It's a feast for the eyes!

SECONDARY PERFORMING ARTS

The Performing Arts Department has faced several unique challenges this year, yet, it has forged on regardless – ‘the show must go on!’. From productions in Early Years and Primary, to performances from our orchestra, choirs, ensembles, at International Day, house music events, recitals, soirées, BSG’s Got Talent, we’ve certainly crammed it all in and with great success. Bravo, everyone!

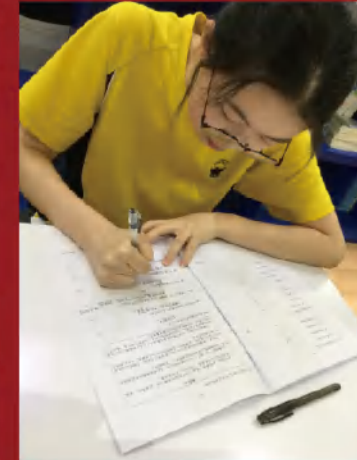

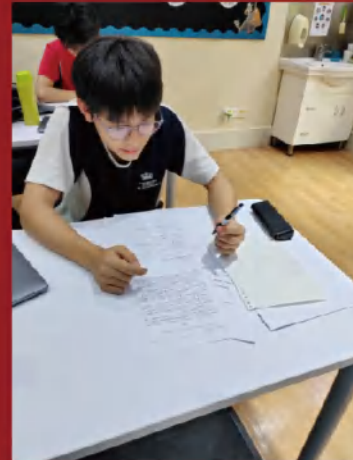

ABRSM music theory is the starting point for KS3 music. The knowledge is then put to practice using a variety of activities which focus on the creating process, and then allow students to perform their pieces. We aim to create an environment where students feel safe and comfortable to share their creations, using these to strengthen their confidence. Several performance opportunities are offered throughout the year where students can showcase their achievements, with the International Day and the end of year production being some of the most popular events.

SECONDARY CHINESE

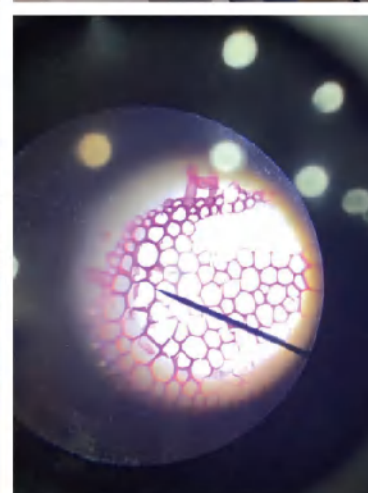

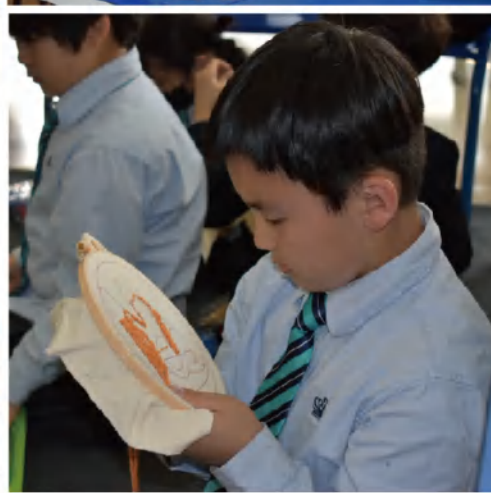

Wow, what an amazing year filled with endless excitement as we indulged in thrilling activities to commemorate the traditional Chinese festivals and boost our beloved students' interculturalism! Our brilliant Secondary students couldn't get enough of the fun activities that we planned for them. From making lip-smacking mooncakes to competing in the highly-anticipated dragon and lion dance House competition, and not forgetting the thrill of participating in the CNY story reading competitions, our students had a blast!

After School Enrichment

After school enrichment is an important part of the BSG programme and provides us with a great opportunity to focus on our core values of commitment, responsibility, respect and integrity. A whole range of activities and challenges throughout the year enables students to work alongside students from different classes and, in some cases, across year groups.

HOUSE EVENTS

It has been a close-run competition this year in secondary, with the house system catering for a wide range of interests, with over 40 different events and competitions haven taken place in the secondary school, ranging from performing arts and sports competitions, to engineering tasks and public speaking.

A big shoutout to our amazing Parent Support group!

Your unwavering commitment to building a strong community has truly made a difference in our school year. From organizing photo week, International day, and book week decorations to volunteering on Mother's Day celebration and disco set up, you have all been the best ambassadors of our BSG family. Your dedication and positivity are an inspiration to our students, and we couldn't have achieved such amazing results without you.

Thank you for being the best role models and supporters of our school community!

Thank you, Parent Support group, for all you do!
